Genre Analysis for Self- Assessment Portfolio's

Self Assessment Portfolio #4

Discuss layout and organization

The website layout is nice. Assignments are easily found. The website include a title and the course.

Discuss self citations

The author self-cites on their website. Examples of that can be seen in the audience and introduction sections.

Discuss what was done well, what needed improvement

The writing and revision are well done. The lack of their name on the front page, along with the mistake writing CLO # 3 instead of CLO # 2, and the rhetorical elements not being in a sub-menu all need improvement. Both the memo and self-assessment essay are missing.

Discuss whether or not the project met requirements

No, a lot of material is missing.

Discuss whether or not CLOs and rhetorical elements were properly analyzed and discussed or

even present

Both the rhetorical elements and the CLO's were properly discussed and analyzed. the author should include the rhetorical elements in a sub menu.

Self Assessment Portfolio #6

Discuss layout and organization

The website is laid out well and is well organized. Assignments and materials are easily found. Rhetorical elements and CLO's are consistent.

Discuss self citations

The author self-cites their assignments, which includes notes and screenshots shown in the website.

Discuss what was done well, what needed improvement

This website is done very well on a whole. The author used different styles and colors wisely. The website is laid out smartly with the sub-menus being put to good use. Self-assessment essay is missing.

Discuss whether or not the project met requirements

Yes, this project meet the requirements as the author does included everything required for the website other than the self-assessment essay.

Discuss whether or not CLOs and rhetorical elements were properly analyzed and discussed or

even present

The CLO's and the rhetorical elements are included and properly analyzed and discussed. The author included evidence and notes from the semester.

Self Assessment Portfolio #7

Discuss layout and organization

The layout is very comfortable as the website is not overcrowded.

Discuss self citations

Self-citations were not present.

Discuss what was done well, what needed improvement

The analysis of each CLO and rhetorical element were well done. The explanation of these, however, could use improvement ad the author expects the reader to simply read the outcome instead.

Discuss whether or not the project met requirements

Yes, this website meets the requirements.

Discuss whether or not CLO's and rhetorical elements were properly analyzed and discussed or

even present

The CLO's and rhetorical elements were properly analyzed. The author was honest regarding their course learning outcomes and admitted when they did/did not achieve them.
